

THREE'S COMPANY: Angad Hasija, Rajan Shahi and Kinshuk Mahajan

COUPLE CAPERS: Lataa and Sanjeev Seth

SOLO TRACK: Avinash Wadhavan

Forget black, it's time for some colour!

Rajan Shahi had a cozy bash for his actors the other day and like one big family, the entire gang seemed to be chilling out together.

At the do were Pooja Madaan, Avinash Wadhavan, Sonali Verma, Amardeep

Jha, Pracheen Chauhan among others. Parul Chauhan and Sara Khan came in late. Both the girls were inseparable as usual.

Kinshuk Mahajan and Angad Hasija came in together and both were sporting similar contact lenses! Everyone kept asking Angad about his wife.

We guess she was out of town. Rajan this time wore a different coloured shirt instead of his regular black shade. 'Why be predictable', he was heard telling someone! The guests naturally complimented him saying he was looking very different. All Merchant looked quite lonely after a point as Sara left early. Avinash Wadhavan came in minus wife Natassha. He'd come straight from his shoot. Vibha Chibber and Amardeep Jha were in a jovial mood. Lots of laughter dominated the evening.

BACK AGAIN!

Once a familiar face on the telly, Pooja Madaan was spotted after ages on the social circuit. Hmmm makes us wonder if she too is planning to make a comeback on the small screen. *a la Niki Anuja. Time will tell!*

Parul Chauhan

BANG ON!

Parul was sporting a new look this time. The cleavage revealing top and those bangs on her forehead — certainly a different Parul than what we have seen at earlier occasions. Naturally everyone wondered what had prompted this change. Is it love, girl?
