

Tale of two Chands

CHAND *Chhupa Badal Mein*, which has Javed Akhtar as the *suradhar* has just begun airing on Star Plus and according to sources a similar titled show was being worked out for Colors. Called *Chand Jalne Laga*, this serial was also set in the backdrop of Himachal Pradesh and was shot in Shimla. However, since *Chand Chhupa...* has already started, the producers of *Chand Jalne Laga* have apparently changed the title to *Abhiman*. However, when contacted, Siddharth Tewary of Swastik Pictures, who is producing the Colors' show denied any similarities. "*Chand Jalne Laga* was just a working title and that also went through many changes. We haven't finalised the title yet and it is not set in Himachal Pradesh."
