

### *Kuch Toh Log Kahenge* now only at 11 pm

**B**uzz is that Sony is planning to shift *Kuch Toh Log Kahenge* from the 8 pm slot to 11 pm. Currently, the show is being aired in both the slots with the 8 pm being the fresh episode. The metro-centric serial has been struggling for ratings since its launch, despite a good storyline. Sources say that it is faring better in the 11 pm slot, which is why the channel is thinking of airing it only in that time slot.

Meanwhile, at 8 pm a new show *Shubh Vivaah*, produced by UTV, is being launched from mid-February. The remake of the popular Tamil serial *Metti Oli*, it is about five sisters and their strict, disciplinarian father. Neha Jaspandit plays the protagonist while Rakesh Bedi essays the father's role. Ejaz Khan returns to the small screen as Neha's love interest.
