

Yeh Rishta Kya Kehlata Hai celebrates three successful years

STAR Plus's hit show *Yeh Rishta Kya Kehlata Hai* recently completed three years of telecast. And the production house kept a small get-together at the Film City set to celebrate this joyous moment. Producer Rajan Shahi accompanied by his mother Deepa and daughter Ishika played the role of a perfect host and thanked the entire DKP (Directors Kut Production) team. Mementoes were especially made for the occasion and were given to each and every cast and crew member of the show. Rajan said, "One of the main reasons why *Yeh*

Rishta Kya Kehlata Hai has succeeded in its simplicity of story. There are no negative characters. Lead actor Karan Mehra (Naitik) says, "We get lots of mail from overseas NRIs saying *Yeh Rishta Kya Kehlata Hai* reminds us of the true Indian family." Lead actress Hina Khan turned emotional when she came on stage to share her experience of working in this 9.30 pm show. Her parents were present and she thanked them as well as producer Rajan Shahi for changing her life forever

for launching her in the TV industry in such a big way. Hina added, "I am proud to have been a part of a show that has lasted 800 episodes, normally shows shut down within a year." It was interesting to see Hina in casual clothes and the picture of her feeding a cake to Rajan was good moment for the photographers to click away. In keeping with the traditional feel of Rajasthan. All the female actors of the show made a circle and danced to the title song of the show.
